

5/6 and 7/8 Grade Art:

Expectations:

- Respect the teacher and students
 - Always do your best
 - Clean up after yourself
- Tools must be used properly and safely
- Be creative and use your imagination!

Art is a way to express yourself, a way to relieve stress, and a way to have a voice when you feel like you have none. I have always loved art. I took many art classes in high school and some in college. Art is my way of sharing my thoughts and feelings with others. God is the Ultimate Artist. He created the world and everything in it. He formed us with His hands. As God's creation, we are given the great opportunity to be artists and creators just like our Heavenly Father.

I am so excited to be given this wonderful opportunity to teach art to 5-8 graders. This year will be filled with fun projects like puzzle pieces, sculptures, pop art, artist studies, and so much more. We will be exploring the basics of art through the elements of art.
