ST. MARTIN'S MISSION STATEMENT

ST. MARTIN'S LUTHERAN SCHOOL "CREDO"

- We believe that God has commanded the teaching of His Word and making disciples of all people. (Matt. 28:19-20)
- We believe that the Church is obligated to provide Christian education to assist parents in bringing up their children. (Eph. 6:14)
- We believe Lutheran Schools serve families in various ways, and help parents carry out their parental responsibilities in Christian education.
- We believe that the Church has instituted the school to give more time to the teaching of God's Word in which He is the center and the Holy Spirit is the power.
- We believe that the Christian Day School is for education of the body, soul, and spirit.
- We believe that the Christian Day School can serve effectively as a baptismal follow-up by teaching the full life of baptism to include education, worship, evangelism, fellowship, and service.
- We believe that the Christian Day School can give encouragement to students suited for full-time church work.
- We believe that the responsibility of operating a Christian Day School demands well-trained Christian personnel.
- We believe that the teachers' college training should include a strong emphasis on teaching the Bible and on methods, techniques, skills, and programs of Christian education.
- We believe that parochial school teachers offer dedication and individual concern for the pupils.
- We believe that professional, called, and dedicated teachers have committed themselves completely with their time and abilities.

OBJECTIVES

St. Martin's Lutheran School seeks to help each child develop his/her relationships in four ways: The child in relation to God, to himself, to other people, and to nature.

Therefore, the objectives of St. Martin's Lutheran School are:

- To diligently teach God's Word in obedience to Divine command.
- To provide for both temporal and eternal welfare of the child by means of an integrated Christian education in which our God is brought into all areas of the curriculum.
- To inspire each child to live in response to God's love.
- To offer daily pupil fellowship as one of the most powerful factors in building character and training in Christian living.
- To support Christian parenthood and Christian home life.
- To strengthen the congregation and the church generally through the training of its members.
- To encourage Christian citizenship grounded in obedience to God and His Word.
- To interpret all school subjects in the light of God's Holy Word.

1. OUR SCHOOL SYSTEM

St. Martin's Lutheran School is part of St. Martin's Lutheran Church. It is one of over 100 schools of the Minnesota South District, Lutheran Church Missouri Synod. St. Martin's consists of grades Pre-Kindergarten through grade eight.

St. Martin's Lutheran School seeks to either meet or exceed the standards set by the Minnesota Department of Children, Families and Learning. The Lutheran Church - Missouri Synod as Ministers of Religion-Commissioned and/or by the Minnesota Department of Children, Families and Learning, certifies members of our teaching staff. All teachers are thoroughly instructed in Christian doctrine and philosophy of Christian education.

2. RESPONSIBILITY OF THE HOME

The school acts as a supplement for the religious training the child receives at home. For the best interest of their children, the home will cooperate and work closely with the school. We expect parents to worship with their children and to follow God's admonition to "train your children in the nurture and admonition of the Lord."

3. ADMISSION

Notice of Nondiscrimination: St. Martin's Lutheran School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies and athletic or other school-administered programs.

By state law, a child may enter Kindergarten if he/she is five years old by September 1st. Children will be accepted as transfer students from another school after a conference with the principal.

New students will be enrolled in the following order as vacancies occur: 1) Brothers and sisters of those already enrolled. 2) After that it is first come, first served where there are still vacancies.

4. CLASS LIMIT POLICY

Based on the square footage of each classroom, space will allow 24 students per room single grade or combined grades; Kindergarten enrollment is limited to 15. Single grade classes will be considered when grade levels reach 15 students. A waiting list will be established when classes reach their limit.

5. GUIDING PRINCIPLES FOR PARENTS

1. Recognize that the teacher takes the place of the parent while your child is in school. The teacher is God's minister. Always speak with respect about all teachers and pastors, especially in the presence of children. If your child has a complaint about a pupil, the school, or a teacher, please speak to the teacher first. If you are not satisfied, then speak with the principal. If you are still not satisfied, the principal will take the matter to the Board of Education.

2. Set a good example by worshipping regularly with your family.

3. Teach and require of your child respect for God's Word, the law, for authority, for the rights of others, and for public and private property.

4. Talk with your child about school activities; share with him and with the teacher an active interest in your child's progress in school.
5. Encourage regular and punctual school attendance and comply with all attendance rules and procedures.
6. Safeguard the mental and physical health of your child and are responsible for the periodic health examinations required by law.
7. Attend parent conferences.
8. Attend special school programs.
9. Arrange for a time and place for your child to do his homework.
10. Work with your child in carrying out recommendations made in the best interest of your child by the school.
11. Encourage and guide your child in wholesome friendships, interests, and activities.

6. GUIDING PRINCIPLES FOR STUDENTS

1. Develop standards of personal conduct that are genuinely Christian. This includes regular church and Sunday school attendance.
2. Obey your teachers and the principal.
3. Obey school rules and regulations.
4. Make a sincere effort to do your best work.
5. Accept responsibility for your own actions.
6. Be on time for all school activities.
7. Dress appropriately and maintain habits of personal cleanliness.
8. Help keep school property free from being damaged and marked.
9. Because of the 4th Commandment, students are to show respect to members of the school staff at all times.

7. CONTACTING THE SCHOOL

The telephone number at St. Martin's School is 452-6928 Ext. 120. You should feel free to call the school office when you have a question or a problem that we can answer. If you wish to contact a teacher, we recommend you leave your number or a message on the teacher's voicemail. We will not call the teacher from the classroom unless it is an emergency. We also will take messages for your child, but will not call him/her out of the classroom. E-mail is an excellent means of keeping in touch with your child's teacher.

8. VISITING THE SCHOOL

We encourage parents to take an interest in the happenings at school and invite you to visit at any time. We feel a close relationship between home and school will improve our educational program. To visit classes please contact your child's teacher for a mutually agreeable time.

9. SCHOOL HOURS

The school day for the Preschool runs from 8:15 - 11:15; afternoon Preschool runs from 12:00 - 2:45 pm; school hours for grades K-8 run from 7:45 AM to 2:15 PM.

A student is considered tardy if not in the classroom by 7:45 AM.

11. ABSENCES

A. When your child is ill or will be absent for any reason, please notify the school so that we are aware that he/she will not be present. Books and assignments may be picked up from the office area after school.

B. If you are planning to remove your child from school for something other than illness (funeral, wedding, vacation, etc.) for several days or more, please consult with the teacher prior to the absence concerning make-up work.

12. PARKING AND PICKING UP CHILDREN

If you pick up your child after school, the safest place is the school parking lot. Fifth Street is another option. The east side of Liberty Street is the most dangerous area; students are tempted to cross in the middle of the block. **THIS IS VERY DANGEROUS AND NOT ACCEPTABLE.** Students need to cross Liberty at the corner of Fifth Street with a safety patrol member. We ask that parents **NOT PARK IN THE ALLEY** and block the exit/entrance of neighbors. Thank you for your cooperation and mutual regard for the safety of our children.

13. CONFERENCES WITH THE TEACHER

The Principal is the final authority regarding dress code questions.

It is the responsibility of parents to see that their children are neatly and appropriately dressed.

17. CHRISTIAN DISCIPLINE

Christian discipline is a combining of Law and Gospel, with the love of the Gospel being prevalent. Since all are sinful, a plan for discipline must be in place. Classroom discipline is always at its best when a spirit of love prevails. This spirit of love is brought about when the teacher holds the Gospel of Jesus in a predominant position. The teacher not only teaches the Gospel, but models it to his/her students. The children are taught that Jesus loves them and will forgive their mistakes. They also need to see that their teacher also loves them and will forgive. When a student misbehaves the teacher will hold up the mirror of the Law so that they recognize and repent of that sin. The student can then experience the forgiveness of the Gospel. Are there penalties for misbehavior? Yes, to show the seriousness of an act and to discourage reoccurrences, penalties are assigned, depending on the severity of the act.

18. CODE OF CONDUCT

All pupils of St. Martin's Lutheran School are expected to conduct themselves in a Christian manner, to the *Glory of God*. Every pupil is expected to respect and obey all staff members and fellow students. Each pupil is expected to follow given procedures and safety rules. Our staff also, will respect each student.

Automatic suspension or expulsion will occur for possession of:

1. Cigarettes
2. Alcohol/Drugs
3. Weapons
4. Other Hazardous Materials

19. DISCIPLINE POLICIES

St. Martin's Lutheran School is an institution dedicated to the spiritual, physical, social, and emotional growth of its students. The *Good News of the Gospel* is the central theme of the message proclaimed at St. Martin's. However, there are times when situations arise which require action by the administration and/or Board of Christian Education. The following guidelines will serve as a basis for administering discipline at St. Martin's:

- A. Students at St. Martin's are responsible for their actions while at school and while they are representing St. Martin's to the community in extra curricular events. Failure to carry out the responsibilities of young Christians may create the need for disciplinary action.
- B. General guidelines outlined here are the overall responsibility of the Board of Education as administered by the Principal.
- C. The classroom teacher is encouraged to handle discipline problems to the best of his or her ability. The teacher is encouraged to consult with both parents and Principal concerning specific problems in the classroom.
- D. Teachers are also encouraged to refer problem students to the Principal due to repeated infractions of school and/or classroom rules, or due to the seriousness of the infraction.
- E. A referral to the Principal may result in punishment including suspension

From extra-curricular activities, detention after school, or other appropriate action. The circumstances of the referral will determine what action will be taken. Parents will be notified of any actions taken and the reason for the action.

F. Repeated referrals may result in further action, dependent on the circumstances. A parent conference may be necessary.

G. Suspension from school will be used only when no other disciplinary actions appear to have been successful.

H. Any further action deemed necessary will be referred to the Board of Education.

It is the desire of the Board of Education and the Principal to use this disciplinary policy with discretion, yet with forcefulness, care and concern.

20. RETENTION

If a student is in danger of being retained at the end of the school year, the teacher will arrange for a conference with the parents no later than the end of the 3rd quarter to discuss the situation.

21. HONOR ROLL

Academic honors recognition will be given to students in grades 5-8. Any student receiving a D or F on their report card for a given quarter will not be eligible for the honor roll that quarter. All subjects are included in determining academic honors. The names of students on the honor roll will be published in the local newspapers, school newsletter and church newsletter. Valedictorian and salutatorian for the graduating class are selected on the basis of grades earned in grades 5-8. No adjustment will be given to an advanced placement class in determining class ranking and the selection of a valedictorian and salutatorian. The honor roll is divided into three categories:

Principal's Honor Roll	4.0	Grade Average
"A" Honor Roll	3.67 - 3.99	Grade Average
"B" Honor Roll	3.0 - 3.66	Grade Average

22. SCHOOL CLOSINGS

If it becomes necessary to close school due to snowstorms or inclement weather, announcements will be made on local radio stations in Winona. Our school is automatically closed when the public schools are closed since our students ride the public school buses, so a separate announcement for St. Martin's is not made.

23. SCHOOL NURSE / ILLNESS

The school nurse (currently provided by the public school system) will take care of keeping health records up to date. Throat cultures are available. Information regarding payment can be received from the school office. The school secretary will take throat cultures before 9:30 a.m.; notify her either by note or telephone. The school will call you if your child becomes ill during the day. The student may lie down in the sick room until picked up by his parents or an authorized adult. Students will be released from the school office.

2. A written authorization from the doctor, stating the name of the medication, the dosage, the time(s) it is to be given, the reason your child needs the medication, any special directions for administering the medication, the date the medication is to be stopped, and parent permission for your child to receive the medication in school.
3. The medication supplied in a prescription bottle or container properly labeled by a pharmacy or physician. Please request your pharmacy to provide two prescription bottles or containers at the time you obtain your medication. This will allow you to have a prescription container at home and school. If the medication is a nonprescription drug, it must also be accompanied by a physician's written order. Medications are to be kept in the school office at all times.

25. DOCTOR AND DENTIST APPOINTMENTS

Parents are asked to please schedule doctor and dentist appointments outside of school hours if at all possible. Every child attending St. Martin's Lutheran School is entitled to a safe, happy environment where bullying is not tolerated. All children and young people have the right to go about their daily lives without the fear of being threatened, assaulted or harassed. Bullying hurts. No one deserves to be bullied. Everybody has the right to be treated with respect. People who are bullying need to learn different ways of behaving. It is and shall be the policy and practice of St. Martin's Lutheran School to teach that bullying is a sin and to correct and redirect all types of bullying. St. Martin's Lutheran School will enforce that it is wrong to abuse, taunt, intimidate, hurt, harass, provoke, tease, insult, ridicule, jeer, mock, badger or mistreat any other student in a bullying manner at any time.

St. Martin's Lutheran School firmly adheres to the Biblical mandate of "responsibility for one's own actions" and calls each student to be accountable for choices made. Students engaging in bullying in any form listed below or in any form deemed to be bullying by teachers or administrators will be held accountable for choices made.

- Child will receive defined verbal instructions as to what was inappropriate

and how his/her behavior is of a bullying manner. The child will understand what is required of him/her to correct such behavior.

- We will communicate with the parents. Parents are expected to be involved in directing and reinforcing proper behavior in the area(s) of concern.
- The principal may or may not be involved in the disciplinary procedures for first, second or third offenses.
- The Principal will communicate with the parents. A possible on-site conference may be requested.
- Repeated bullying behavior, or purposeful behavior with the intent to hurt may result in appropriate consequences including, but not limited to, time-out (remove student from the situation), removing privilege(s), behavior contract, detention, suspension (in or out of school), expulsion or mandatory withdrawal.

Teachers and administrators will use their discretion to enforce this policy based upon all available information with every effort to be fair and consistent. Each teacher will follow specific procedures necessary to insure students are not bullying and are not being bullied. Teachers are expected to follow through with legitimate consequences and stop bullying promptly and responsibly.

- C. Support and promote proper dietary habits contributing to student's health status and academic performance.** All foods available on school grounds and at school-sponsored activities, during the instructional day, should meet or exceed the Nutritional Standards of the National School Lunch Program. Emphasis should be placed on foods that are nutrient dense per calorie. Foods should be served with consideration toward variety, appeal, taste, safety and packaging to ensure high quality meals and snacks.
- D. The school will support and encourage communications with parents and efforts to provide a healthy diet and daily physical activity for their children.** We will encourage parents to pack healthy lunches and snacks and to refrain from including beverages that do not meet the Nutritional Standards of the National School Lunch Program. The school will provide parents a list of foods that meet the school's snack standards along with ideas for healthy celebrations / parties, rewards, and fundraising activities. In addition, the school will provide opportunities for parents to share their healthy food choice ideas with others in the school community. We will also support parent's efforts to provide their children with opportunities to be physically active outside of school. Such supports will include sharing information through a newsletter, or other materials, and special events.
