3. SCRIP PROGRAM

A new and exciting program called 'Scrip' is available at St. Martin's School. Scrip refers to gift certificates or gift cards. Our school is able to purchase gift cards from hundreds of retailers nationwide at a discount, which you can then buy at face value. The difference is your profit that you can apply towards St. Martin's tuition, or other designations. These are the same gift cards that you would purchase if you went to the retailer directly. By purchasing these gift cards before you shop for your everyday items - like groceries, gas, clothes, and restaurants - you raise money, without you having to spend a penny extra. It's just that simple.

SCRIP! How it works...

We encourage you to take advantage of the wonderful benefits offered by this on-going program.
