- Saturday, January 27th at 5:30pm - End of National Lutheran School's Week
 - Thursday, May 2 at 7:00pm
(Fine arts program in church)

FREQUENTLY ASKED QUESTIONS:

- When should we arrive? Please have your students arrive 30 minutes before the service begins and meet in the school music room. This gives them time to warm up their voices, review their music, and help transport instruments when necessary.
- Where do the students sit during worship? Students will be seated in the church balcony during the service. The students will also sing from the balcony. Students are dismissed from the balcony to rejoin their families after the closing hymn.
- When do the students sing? The students will usually sing at several different times throughout the service, depending on where their music fits best within the worship service: sometimes before service, between readings, during the offering, or singing a verse of a hymn for the congregation.
