FREQUENTLY ASKED QUESTIONS:

- **When should we arrive?** Please arrive in the church basement 15 minutes before the worship service is to begin. This will allow time for the students to warm up their voices, review their music, and get out some nervous wiggles before the service begins. About 5 minutes before the service, we will walk the children upstairs and assist them in finding you in the sanctuary.
- **Where do the students sit during worship?** Your children will be seated with you during the worship service unless they need to be with their class, in which case we will let you know.
- **When do the students sing?** Generally, the K-2 choir's music will be placed after the scripture readings and right next to the children's sermon.
- **Where do the children sing?** They will sing from the front of the church sanctuary.
